Advertise Your Stallion

There are two ways we can promote British Riding Pony stallions to a wider audience.

Stallion owners can advertise in the Annual review and on the stallions at stud page on the National Pony Society website.

The NPS Annual review is an ideal place to advertise your stallion.

The Review is sent to all NPS members, and is an excellent reference tool for the season and in years to come. Adverts range from a half page in black and white to a double page colour advert.

Adverts can be placed for all pony stallions, both British Riding Ponies and M&Ms, and also Hack and Riding Horse stallions.

Stallions holding a NPS licence can also be included in the BRP stallion listing in the Review, which is free of charge to NPS members.

All British Riding Pony stallions can also contact the office using the email studbook@nationalponysociety.com, for information on how to place an advert on the NPS website.
