THE NATIONAL PONY SOCIETY

LOAN/LEASE AGREEMENT FORM

GUIDELINES FOR LOAN/LEASE AGREEMENT FOR A BRITISH RIDING PONY REGISTERED WITH THE NATIONAL PONY SOCIETY

The National Pony Society strongly recommends that a Loan/Lease Agreement is drawn up prior to the loan of a pony, which clearly states the purpose of the loan. This may be for the following:

- · Breeding
- Showing
- Producing
- · A combination of the above

We ask the Lessor and Lessee to complete and sign this form and return to The National Pony Society.

There is no fee for recording the Loan/Lease details.

For the Loan/Lease Agreement to be valid for registering a foal with The National Pony Society, the stallion or mare **must** be registered with The National Pony Society in the name of the Lessor.

As this Loan/Lease Agreement form is **not** a legally binding document, we suggest that you consult your Solicitor regarding a legalbinding agreement. It is recommended the following points be considered for inclusion in any additional agreement:

- 1. Statement that the equine is on loan to X for a given period
- 2. Statement as to the purpose of the loan
- 3. Who pays for the service of the mare (where applicable)
- 4. Who owns the ensuing foal (where applicable)
- 5. Any conditions under which the lessee is required to keep the equine
- 6. Items included with the loan (e.g. tack, rugs)
- 7. Who is responsible for Insurance, Vet's Fees, etc?
- 8. Who is responsible for the cost of a Duplicate Equine Passport in the event of loss of the original Equine Passport during the Loan period (Obtaining a Duplicate if the original is lost is costly)
- 9. Any additional conditions.
