The Weigh In to Win scheme in conjunction with Baileys Horse Feeds. This initiative offers competitors the opportunity to have their ponies weighed and body conditioned scored, with expert nutritional advice offered. We hope to be able to educate competitors on correct feeding to help tackle the obesity problem in our show rings.

Come along to the Baileys weigh-bridge located next to the permanent stables and meet the team. All competitors who take part will be entered into a prize draw for 6 month's supply of feed for their pony. The winning name will be drawn on Wednesday night during the evening performance.
