“Misc” classes include pairs, Concours d’Elegance and fancy dress. Junior refers to any class in Worcester on Tuesday , Utility Pony, the Young Handler and Junior M&M In Hand on Thursday.

PRIZE MONEY - Prize money may be collected from the show secretary’s office during opening hours on Tuesday & Wednesday and from 9am until 30minutes after the last class on Thursday.

With the exception of specific championships where payment will be made via BACS, all prize money not collected at the show will be forfeited and considered a donation to the Society.

FEED AND BEDDING

A Forage & Bedding Store will be located to the right of Ledbury Ring. This is being managed on behalf of the NPS by volunteer officials. All forage and bedding that has been pre-ordered is listed on your packing letter. There may be some surplus available to purchase on the day which must be paid for in the Show Secretaries Office, but this is **not guaranteed**. Please note stabling does NOT include bedding and there is no capacity for delivery to your stables so please arrange to collect yourself any bedding or forage you have ordered.

PASSPORTS

All passports **MUST** be bought to the office for checking when collecting back numbers and when entering. Remember it is a legal requirement to have the passport with the pony when travelling.

CATERING – Happy Herefords will be in attendance on the showground.

FODDER STORE – The store will be open at the following times:

Monday 12noon-9pm Tuesday 8am-9pm Wednesday 8am-7pm Thursday 8am-10am

NEWSAGENTS- A mobile shop on the Showground will sell cigarettes, newspapers, milk, bread and other food items.

Monday 1pm - 4pm Tuesday 7.30am – 6pm Wednesday 7.30am – 6pm Thursday from 7.30am

LOCAL RESIDENTS - Three Counties Association ask for consideration to residents in the nearby villages early in the morning and have requested that we advise all exhibitors to plan journeys so that the outlying villages, i.e. Hanley Castle, Hanley Swan, Welland, Poolbrook and Malvern Wells are respected.

NOISE PREVENTION - This is strictly governed by Three Counties Association in conjunction with their contracted audio company and sound system. Whilst we have asked that all areas of the showground are covered by the Public Address System there are some areas that unfortunately cannot be reached. **IT IS THE EXHIBITOR'S RESPONSIBILITY** to make sure that they can hear announcements and get to their ring on time. No Complaints will be heard or refunds made for missed classes.

OVERNIGHT SECURITY & SAFEGUARDING – Please be advised that there will be security staff on site at all times overnight. Show Vice Chairman Jayne McAuliffe and Office Manager will be the safeguarding contacts during the day and are based in the secretary's office. The security team will act as a first point of contact for any safeguarding concerns overnight.

CATALOGUES- Catalogues will be available for purchase at the show. Pre-entry numbers will also be posted online towards the end of July.

PHOTOGRAPHY SIGN - There will be a designated photography area located next to the 1st Class Images tradestand where competitors may arrange with the official photographers to have a commemorative picture taken next to the bespoke National Pony Society sign.

COMPETITORS STAYING ON SITE FOR THE NATIONAL WELSH SHOW – We will aim to keep any competitors wishing to remain on site for the National Welsh Show in the same permanent stables you have been allocated for Summer Champs. If you have booked temporary stables, you will be able to move into permanent stables for the National Welsh Show after 5pm on Thursday. **This must be arranged through the Three Counties office directly.**

NEW FOR 2023

The highest placed British Riding Pony mare in the hack, riding horse, sports pony, show pony and show hunter pony broodmare and barren mare classes, are all invited to take part in a new championship to be held in Malvern ring on Wednesday afternoon. This championship is named in honour of the late Mary Harmer of the Wedgenock Stud and the top 5 mares forward will all win prize money with £250 being awarded to the Champion in addition to a bespoke rug.

140 YEARS

The Society is also celebrating it's 140th anniversary. Please join us for a glass of prosecco and a slice of cake in the Competitor's marquee on Tuesday evening. Your invitation is enclosed within this pack.

FIT FOR THE FUTURE

Returning again this year is the Fit for the Future scheme. Judges will be asked in certain pre-arranged classes to select the pony that in their opinion is of the optimum condition. The owner of that pony will then receive a goody bag from our partners at Baileys Horse Feeds.

The team from Baileys will also be on site to offer helpful and impartial nutritional advice to help competitors maximise their feeding strategy and ponies can be brought down to be weighed on the Baileys weighbridge located at the Grand Ring end of the permanent stables. Understand your pony's accurate weight can be of great assistance with worming programmes.

COMPETITION TIME - Learn how to go greener at home with British Gas

For expert advice on all things low-carbon, come and talk to British Gas at this year's Summer Championships. You can find out how easy it is to generate your own electricity with solar panels. And even sell what you don't use back to the grid with their new solar tariff.

And you can ask them all about heat pumps – the latest, greenest way to keep your home cosy using just electricity and fresh air. If you're off the gas grid and want something cleaner than an oil or LPG boiler, heat pumps are definitely worth looking into.

Come and say hello to the team on the stand. And don't forget to enter the competition to win some great prizes, including a **state-of-the-art EV charger with installation!**

DRUG TESTING - Reminder to Exhibitors

The NPS would like to remind all exhibitors to review the society's rules on drug testing, outlined on pages 22 to 25 of the NPS rulebook. Any horse or pony taking part in classes judged under NPS rules and/or entering classes at NPS shows, will be liable to drug testing under these procedures.

We appreciate that if your animal is selected for drug testing, it may be unsettling for you. We politely ask for your co-operation to work with society and veterinary officials, so that the sampling procedure can be followed carefully and calmly. This usually takes around 30 to 40 minutes.

The NPS takes a serious view of breaches to drug testing rules, particularly regarding the welfare of animals and safety of children. We appreciate your support in reviewing and following the rules in place.

**We thank you for supporting the NPS Summer Championship Show. The Show Committee wish you an enjoyable and successful time.
Good luck!**
