Fell Pony Society

Presidents Welcome

Welcome to the National Pony Society Summer Championship Show.

It has not been an easy season for everyone this year and a difficult one for many but our summer show is an opportunity for the "horsey community" to enjoy a get together for a few days within the backdrop of the beautiful Malvern Hills. We can only hope that the weather will be kind to us.

The National Pony Society is open to everyone, whatever their interest and this year we are running some Assisted Classes (SEND) which we hope will broaden the access for all.

May I take this opportunity to thank everybody who has an input in to the running of such a busy show - which takes many months of planning. For the staff in the office this is endless and they are supported by numerous volunteers who give up so much of their valuable (and costly) time for us to enjoy ourselves.

Please remember that we all have a responsibility towards the running of any happy show and must be thoughtful in our dealings with others.

May I wish you a fabulous few days.

Best wishes

*Ann Bigley
President*

VACCINATIONS

Equine Influenza vaccinations are a **compulsory** requirement for all horses/ponies competing in NPS affiliated classes. Two injections for primary vaccination, not less than 21 days and not more than 92 days apart, are required before being eligible to compete. A first booster injection must be given within seven months after the second injection of primary vaccination. Subsequent booster injections must be given at intervals of not more than **one year**, commencing after the first booster injection; No horse should enter competitions within 7 days of an EI vaccination. Foals should commence vaccinations at 6 months old. Please note any equines starting a course of vaccinations from 1st January 2024 will need to have the first 2 vaccinations 21-60 days apart and the third booster between 100-180 days.

Only primary course given. This is fine, as long as the horse has had the first two injections that make up the primary course, and the second injection was given within the last six months.

Primary course given, but first booster (due within seven months) has not yet been given. Fine if second injection was less than six months ago.

We thank all members and competitors for their cooperation with the equine influenza rules and remind all competitors to please make sure that all horses' passports are available for checking on arrival at the showground. Passports must be brought to the office when collecting back numbers or making an entry.
